Additional Information	
Waiting Periods	No benefits are provided for treatment relating to a transplant until the member has been covered under this or a prior plan for six consecutive months. There is a twelve-month waiting period that must be met prior to benefits being available for pre-existing conditions. By pre-existing condition, we mean a physical or mental condition, regardless of the cause of the condition, for which medical advice, diagnosis, care or treatment was recommended or received within the six-month period before the enrollment date. Members may receive credit from prior medical coverage.
Outside the Service Area	Members have the security of knowing they can access Blue Cross and/or Blue Shield (Blue Plan) providers across the country and worldwide through the BlueCard® Program. Plan benefits apply as described above, and members may receive discounts on their services.
<p>General Medical Exclusions No benefits will be provided for any of the following conditions, treatments, services, supplies, or accommodations, or for any direct complications or consequences thereof. However, these exclusions shall not apply with regard to an otherwise covered service for an injury, the injury results from an act of domestic violence or a medical condition (including physical and mental) and regardless of whether such condition was diagnosed before the injury, as required by federal law.</p>	<ul style="list-style-type: none"> • Conditions Caused By Active Participation In a War or Insurrection: The treatment of any condition caused by or arising out of a member's active participation in a war or insurrection. • Conditions Incurred In or Aggravated During Performances In the Uniformed Services: The treatment of any member's condition that the Secretary of Veterans affairs determines to have been incurred in, or aggravated during, performance of services in the uniformed services of the United States. • Cosmetic/Reconstructive Services and Supplies except to treat a congenital anomaly for members up to age 18, to restore a physical bodily function lost as a result of injury or illness or related to breast reconstruction following a medically necessary mastectomy, to the extent required by law. • Counseling in the absence of illness. • Custodial Care: Non-skilled care and helping with activities of daily living. • Dental services provided to prevent, diagnose or treat diseases or conditions of the teeth and adjacent supporting soft tissues, including treatment that restores the function of the teeth. • Elective Abortion: Termination of pregnancy (elective abortion), except when performed to preserve the life of the enrolled female member. • Expenses Before Coverage Begins or After Coverage Ends: Services and supplies incurred before your effective date under the contract or after your termination under the contract, except as may be provided under the other continuation options of the contract. • Fees, Taxes, Interest: Charges for shipping and handling, postage, interest, or finance charges that a provider might bill. • Foot Care (Routine): Routine foot care including treatment of corns and calluses and trimming of nails, except when indicated for diabetic patients.

General Medical Exclusions

No benefits will be provided for any of the following conditions, treatments, services, supplies, or accommodations, or for any direct complications or consequences thereof. However, these exclusions shall not apply with regard to an otherwise covered service for an injury, the injury results from an act of domestic violence or a medical condition (including physical and mental) and regardless of whether such condition was diagnosed before the injury, as required by federal law.
